

SW-WFAC Tour of Animas Valley Riparian Innovations

Do you worry about river bank erosion? Would you like to improve the scenic values on your property? See more birds? Enhance your options for managing livestock?

You are invited!

- Come and see the innovative approaches your neighbors are taking.
- Hear from them about their goals and challenges.
- Learn about the methods and funding available to help achieve your goals.

The **Southwest Wetland Focus Area** partners are sponsoring a tour of 3 Animas River properties where landowners have put in place innovative floodplain and riverside management practices.

When: September 30, 2017, 10am to 4pm

Where: We will visit the Cole Property, the Waterfall Ranch, and the James Ranch.

SW-WFAC will provide lunch, courtesy of James Ranch!

Space is limited to 20. RSVP to Ann Oliver at annsoliver@gmail.com or (970) 903-9361
